**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider so that providers will provide the best product at a reasonable rate to users. As a first world country and America, we should also have a first world country internet service. There are many countries with much better ISP than ours. We shouldn't have to pay exorbitant amounts for paltry internet service that is slow and sometimes dysfunctional.

Thanks,
